

Easter “Has God Given Us a Glimpse of 2017 What’s Possible for OCC?”

I love the story of Elisha and his servant we read in 2 Kings Chapter 6. Essentially, it is a story about a moment when God opens a servant's eyes so that he can see the spiritual army protecting them from their enemies! I reference this story because I firmly believe there are still moments when God gives us glimpses of what might be possible if we continue to live in and walk by faith—and I think Easter 2017 was precisely such a

moment for OCC. What an incredible and historic day we enjoyed together! 689 worshipped here on Easter Sunday, and 1000 plus attended at least one of our Easter related services during the weekend! It was an amazing day and one in which we clearly saw God blessing our congregations faithfulness. What it means beyond the record breaking crowd remains to be seen, but I sense God is ex-

panding our vision and demonstrating that with God little becomes much! What an incredible work God has done among us and through here at the “little” church on the corner. God be praised.

Please be praying for our church, leaders and staff as we continue to walk forward into all that God has in store for us.

Mom's matter. Mom's make a difference. Mom's are important to God and to our church. This Mother's day, we want to honor our mothers and to make this a very special Mother's Day for all present. Join us Sunday, May 14th as we celebrate our mothers. Some mom's will receive a selected gift! All Sunday education & worship schedules will at their normal times.

Children, obey your parents in the Lord, for this is right “Honor your father and mother”—which is the first commandment with a promise— “so that it may go well with you and that you may enjoy long life on the earth.”

Sabbatical Update

Virgil Clotfelter

Applicants for the Lilly Renewal Grant are instructed to submit a proposal for renewal that will "make their heart sing." Let me tell you about the "rationale" that generated my renewal proposal.

I based my "heart song" renewal plan on a verse from *Proverbs 13:12*, "Hope deferred makes the heart sick, but a longing fulfilled is a tree of life." I then thought of all those things that have impressed and inspired me since I was just a boy, understanding that IF I were able to do some of them, that would be "Hope fulfilled" instead of deferred, and bring a joyful song to my heart.

So, much of our renewal time will be consumed with travel...To the PA Pocono

Mts., where Dorri and seriously considered honeymooning back in 1975, for a second honeymoon and NASCAR race...To another NASCAR race at Michigan with my preacher mentors Marty, and John Sichting...To a nearby Water Park for family fun time with our kids and grand-daughter, Calla...To Ireland, the home of Dorri's kinfolk, her maiden name being Puckett...To Switzerland, with our boys and my siblings, to see the small village of Glattfelden from whence came our family name Clotfelter...To Egypt to see those grand sites of film and Bible history and relive the story of Joseph saving a nation...To Mount Rushmore and the Bad lands of America's west...To Acapulco, Mexico

where Elvis Presley and others dove off the high cliffs into the crashing surf. We will spend 2 1/2 weeks in Mexico fellowshiping and relaxing on the beach with our Mexican missionary friends, Jair and Norma Castillo, who retired last year from leadership of VNM Ministries. While in Mexico, we will visit and encourage 3 churches that VNM helped plant...To San Antonio for a few days of strolling/eats around the Alamo and "Riverwalk."

Such time with ourselves, family, and friends will be wonderfully renewing and leave us with a heart full of song from life long hopes realized and dreams come true. Please keep us in your prayers in it all.

Sunday Education Classes

At **9:00 a.m.** in the Café, our elders will continue leading a study of the books of 1-2-3 JOHN through the end of May. Starting in June, Virgil Clotfelter will lead a 4 week study on "NOTABLE 3:16's" of the Bible.

At **10:30 a.m.** in the Café, Virgil Clotfelter will lead a 5 week lesson series especially designed for "newer" OCC members and prospects, but open to all with interest in knowing more about the doctrines, operations, and nature of OCC. Think of it as an "EVERYTHING YOU WANT TO KNOW ABOUT OCC" discussion and study. Be sure to bring your questions.

B.L.A.S.T. OFF to a Great Summer

Zech & Julie Riggs

Believe it or not, we are coming to the end of our school year and also the end of our BLAST year. These past few semesters have been amazing and I have seen so many students find a love for God's word as they sought to bring their Bibles week after week. Many have learned all the books of the Bible and memorized so many scriptures passages as we journeyed through Super-book stories and played games like Super Bible Battle! Many students have called Ogilville their home

and I have had the privilege and opportunity to baptize several! We saw the most students we have ever had on a Wednesday night since I started teaching and all I can do is praise God for each and every one that has had a BLAST with us (pun intended). We are sad that this year has gone so fast but we are already looking forward to all the possibilities, students, games, and activities that will come with the new BLAST year in the fall. We can look forward to

our BLAST Splash Party which is sure to excite many again this year and also the possibility of having a BLAST lock-in in the winter. In the meantime, have fun this summer with Hilltop Christian Camp and VBS coming up very soon! We thank you for all the support, prayer, and for all those who volunteered to help out and lead as we showed Jesus to others. God bless you all and have a great summer!

Pre School News

May?! Time flies when you are having fun! We have been busy little birds and have lots left to do. May is a busy month with field trips, Mother's Tea, testing and Pre K graduation. Don't forget breakfast and early bedtime is a great start to the school day. It has been an incredible blessing to spend time with our students everyday. We are so excited for what is to come for them. God has blessed this school year in so many ways and we are so thankful.
